About the Parking Decks

Parking decks charge $2.00 for the first hour and $1.00 for each additional hour, with a $7 maximum per day. The decks are "Pay-On-Foot" decks, and no attendant is on duty. When you enter the parking deck, take a ticket from the machine.

Be sure to take your ticket with you after you park!

When you return to the parking deck later, you go to the "Pay-On-Foot" machine first, before going to your car. Place your ticket in the slot and follow the numbered directions. Insert the amount of money indicated on the screen. If you need a receipt, be sure to press the receipt button to collect it.

The machine only accepts cash (no credit cards) so be prepared to use correct change if possible.

Once you have paid, your ticket will be returned to you, and you proceed to your car. As you exit the deck, insert your ticket to open the gate. The ticket is valid for 15 minutes after payment. If you get lost or have difficulty, call 336-334-3969.

Note: If you approach Stone from College Avenue, you actually enter on the second floor level. Walk to the north end of the building, enter the wing that points away from the main building toward Tate Street, and take the staircase or elevator to the lowest level (1R) and follow the hallway. The Teleconference room, Room 169, is to the left, and the TeleLearning classroom is at the end of the hall in Room 186.
